REMARKS

No OS Comment passed verbally to *STAT*
 EAA/DDA 7/7/87. As an aside,
 I noted that the physical and personnel security protections outlined as "minimum" standards are less than I would consider minimum, i.e. one SBI and one CI poly (no R.I.s or continuing evaluation). BUT, I know that DoD has a continuing evaluation program for nuclear types so I'm not worried that they will only do the minimum. Jim will (maybe) pass this along verbally.
